8 people have recommended Inês

"I can say that if there are people who had an impact in my professional path, Inês Amaral is right on top group of that list. She is a dedicated, extremely competent teacher, always interested in providing interesting, modern perspectives about new media, and in students' development. Inês is also a valuable researcher and someone to consider when it comes to Online Journalism. Her work and support have been extremely important for my own work, and her knowledge and skills will benefit anyone who has the chance to collaborate with her."

"It is with a really great pleasure that I recommend Ines Amaral. I had the pleasure of studying with her from 2004 to 2006, during the Master Communication Course in Braga, Portugal. She is a brilliant student, always displaying a high degree of integrity and maturity. She has a nice cooperative attitude all the time. Ines Amaral is also an excellent teacher with a very interesting outlook on digital communication. I am happy to give her my wholehearted endorsement."

— **Daniela Bertocchi**, studied with Inês at Universidade do Minho

"Uma excelente professora, cativante, motivadora e sempre disponível."

— **João Silva**, *Student, Instituto Superior Miguel Torga*, reported to Inês at ISMT

"A Inês Amaral foi uma das colegas de mestrado com quem mais aprendi. É uma rigorosa investigadora nas áreas que melhor domina, nomeadamente as relacionadas com cibercultura, webdesign, web 2.0, media participativos, interactividade e relações entre "bloguismo" e ciberjornalismo. Tem também uma carreira docente que fala por si."

— **Fernando Zamith**, studied with Inês at Universidade do Minho

"Inês is a very bright person who works very fast and well. There are no mistakes in her work. Plus, she has humour and is someone who is always available to share her knowledge with other. I can only say she's one of the best person's that i've worked with."

— **Diana Cabral**, *Journalist, aeiou*, worked directly with Inês at AEIOU

"No ISMT, Inês Amaral é igual a Web 2.0. Sabemos, e isso tranquiliza-nos, que daqui a algum tempo será sinónimo de Web 3.0 também. Dinamismo feroso, aliado a uma elevada competência e a um alto grau de exigência em todos os projectos em que participa. Dinis Manuel Alves"

— **Dinis Manuel Alves**, *Professor, ISMT*, worked with Inês at ISMT

"Inês is an excellent professional, teacher, researcher and foremost a great friend"

— **Sandra Oliveira**, *Assistant Professor, ISMT*, worked directly with Inês at ISMT

"Great work capacity. Very strong knowledge in many fields and particularly in her area of research."

— **Francisco Amaral**, *Professor-Adjunto Equiparado, ESEC or ISMT*, managed Inês indirectly at ISMT
